Engine: Good

Drive Train: Good

Body: Good

Interior: Good

Steering: Good

Tires: Good / Fair

Hydraulics: Good

Mechanical: Good

Electrical: Good

SUMMARY OF CONDITION

This loader was turned in on a time basis and seems like a fairly good loader. While it has had its use, it starts and runs fine, and all of the functions seem to be in good operating condition. Hr. meter is a bit questionable, the majority of our equipment does not normally have that many hours but that is what is on the meter.
