All Assets sold by or through Liquidity Services, Inc. ("Liquidity Services") or through a Liquidity Services marketplace for export or re-export, will be exported as a "Routed Export Transaction" pursuant to 15 CFR § 758.3(b). As a general rule, Liquidity Services will treat all sales to buyers with addresses outside country where the assets are located as an export. This Certification relates to all future sales to Buyer, unless Buyer gives written notice to rescind.

1. Buyer acknowledges that all transactions with Seller are subject to U.S. law, including sanctions and export control laws and regulations. Buyer further represents and warrants that this transaction, and all subsequent transactions related to the purchased Asset(s) will comply with U.S. law, as well as the law of any other applicable jurisdiction, including sanctions and export control laws and regulations.
2. Buyer warrants and represents that it is familiar with the requirements of U.S. export control regulations regarding the export, transfer, or re-export of Assets purchased from Seller; including the EAR and the OFAC Regulations.

Buyer further understands that under the Office of Foreign Assets Control (OFAC) regulations, transactions related to the petroleum industries, or other activities, in sanctioned countries, as well as transactions with the governments, or entities owned or controlled by the governments of sanctioned countries, may be prohibited. At the current time, sanctioned countries include: Cuba, Iran, North Korea, Sudan, and Syria. An updated list and further details regarding OFAC sanctions may be viewed at: <http://www.treasury.gov/about/organizational-structure/offices/Pages/Office-of-Foreign-Assets-Control.aspx>.

3. Buyer also understands that certain assets may be restricted for export or re-export to certain destinations or for certain end-users, or end-uses, by the U.S. Department of Commerce. Further details regarding these restrictions may be found at <http://www.bis.doc.gov/>. Finally, Buyer understands that transactions with individuals or entities on the U.S. Specially Designated Nationals (SDN) list, or other restricted party lists, including restricted party lists of other countries, (Collectively, "Restricted Party Lists or 'RPL'") may also be prohibited.
4. Buyer represents and warrants that it is not a Restricted Party, nor is Buyer owned or controlled by, or acting on behalf of, a Restricted Party or the government of a sanctioned country.

5. In accordance with Section 758.3 of the EAR (“Responsibilities of the Parties to the Transaction”). Buyer assumes responsibility for determining licensing requirements and obtaining license authority, serving as Exporter for purposes of the EAR, or appointing a U.S. authorized agent to serve as Exporter. This representation applies to all transactions between Buyer and Seller unless otherwise specified in writing by the Parties.
6. Buyer understands that Seller reserves the right to review any transaction for export restrictions after the sale and cancel any transactions based on the results of this review.
7. Buyer acknowledges that Liquidity Services may not be the Principal Party in Interest (“USPPI”). Information required from the USPPI in a Routed Export Transaction will be provided to Buyer or Buyer’s represented, upon full payment and execution of this Certificate.
