Would you please repair the valve stem on the driver's side, rear inside tire. It has a slit in it. It is scheduled to go out next Friday (10/23).

Thank you.

Acct:60020-7440	EQU02A
-----------------	--------

Hi John,

When you have time would you please take a look at Coach 29 to make sure it doesn't have any hail damage. The student that was driving it back from Ignacio this afternoon, said that they were in a big hail storm between Ignacio and the airport. He also said that the hail was a pretty good size and that the road was covered with hail.

Thanks,
Violet
