

Respirator Cartridges

Comprehensive Inventory of MSA Safety Respirator Cartridges

Asset ID 24035-253: MSA Comfo GME-P100 Respirator Cartridges (MM 10091631)

For Sale: 673 Boxes of 6 MSA Comfo GME-P100 Respirator Cartridges

This listing is for a bulk quantity of MSA Safety Comfo® GME-P100 respirator cartridges, ideal for industrial applications requiring protection against a wide range of contaminants.

Product Overview

The MSA Comfo GME-P100 is a combination cartridge that provides respiratory protection against organic vapors, various gases, and particulates. These easy-to-install cartridges thread directly onto MSA Comfo series twin-cartridge respirators. The included P100 particulate filter is 99.97% efficient against all particulate aerosols, making these cartridges suitable for a variety of demanding work environments.
