ACKNOWLEDGEMENT: I understand this estimate of repairs (the "Estimated Repairs") is based upon the inspection of my vehicle by the service personnel at the Precision Tune Auto Care center (the "Center") and that once the Center begins to make the Estimated Repairs additional service requirements or damaged parts may become evident requiring additional repairs (the "Additional Repairs") to my vehicle. The Estimated Repairs do not cover any Additional Repairs, including parts and/or labor that may be required after the Estimated Repairs have been started. The Estimated Repairs cannot cover those possibilities. Prior to beginning any Additional Repairs, the Center will seek my prior authorization. The Estimated Repairs and the estimate of costs to complete these Estimated Repairs expires five (5) business days from the date set forth above. I understand the Center is not responsible for delays and the unavailability of parts from third-party suppliers and that the Center is not responsible for any personal property left in the vehicle. Finally, no bailment will be created by the Center's possession of my vehicle to perform the Estimated Repairs, including any damage to the vehicle by a third party or theft of the vehicle by a third party.

AUTHORIZATION TO CONTACT: I authorize the Center and its employees to contact me regarding the Estimated Repairs and products and services provided by the Center, from time to time.

AUTHORIZATION TO REPAIR: I authorize the Center to perform the Estimated Repairs set forth above and recognize that in some circumstances the cost to perform the Estimated Repairs may be greater than the costs estimated above due to complications beyond the Center's ability to predict or control. I authorize the employees of the Center to operate my vehicle on public thoroughfares for the express purpose of testing and inspecting my vehicle and to assure repairs have been made correctly.

MECHANIC'S LIEN: An express mechanic's lien is granted to secure any amount of repairs not paid in full upon completion of the Estimated Repairs and/or any Additional Repairs I authorize.

X: _____
I AGREE TO PAY IN FULL THE AMOUNT DUE FOR THE ESTIMATED REPAIRS, AND ANY ADDITIONAL REPAIRS THAT I AUTHORIZE, AT SUCH TIME AS THE REPAIRS ARE COMPLETED BY THE CENTER.
