This vehicle was purchased new by the City of Champaign and used by the Neighborhood Services Department. The vehicle currently has 70,922 miles and was removed from service in June 2025 as part of our normal vehicle rotation cycle. The tires have approximately 50-60% tread remaining. The bed has a spray in bed liner. The vehicle **does not** have a vehicle jack. This vehicle also **did not** come with a rear seat option. The vehicle drives well with no current issues we're aware of

The exterior is in fair condition. The hood has minor light paint chips & dings present. The left front fender has minor dings present. The driver door has minor scratches present. The left side of the bed has minor scratches & dings present. The tailgate has minor scratches & dings present. The rear bumper plastic covering is cracked in multiple areas. The right side bed has minor scratches & dings present. The passenger side door has minor dings & scratches present. The right front fender paint has peeled in a small area near the antenna.

The interior is in good condition. There is a hole in the driver floormat. The headliner has a pen mark above the driver seat, one (1) small hole near the driver sun visor, two, small cuts in the front edge from where emergency lighting was previously mounted, one (1) small hole near the center of the roof, and four (4) small screw holes with two (2) indentations in the rear center of the headliner from where emergency lighting was previously mounted.

This vehicle was serviced on a 120-day preventive maintenance cycle. It was last serviced in April 2025, at 70,057 miles. Other repairs to this vehicle include the following items. In Jan 2025, at 69,875 miles, the starter motor was replaced. In Nov 2024, at 69,875 miles, the dome light bulb was replaced. In Apr 2010, at 11,696 miles, the wiper blades were replaced. In Jun 2009, at 7,094 miles, the left rear tire was repaired.

This vehicle can be viewed between the hours of 7 a.m. to 3 p.m., Monday through Friday, excluding national holidays, at the City of Champaign Public Works Department, 702 Edgebrook Drive, Champaign, Illinois. The vehicle must be picked up between the hours of 7 a.m. to 3 p.m., Monday through Friday at the same location.

The City of Champaign is required to sell all vehicles through an auction process. We cannot accept "Buy It Now" offers or trades.

High bidder is responsible for picking up the vehicle from Champaign, Illinois. High bidder is responsible for all shipping and transportation costs. Winning bidder shall make full payment via internet auction vendor prior to picking up the vehicle. High bidder is to take delivery of this vehicle within (30) days.

Total balance is due before we will release the vehicle and/or any paperwork. We do not offer financing or accept credit card payments.

This vehicle is being sold as is, with no warranty, expressed written or implied. The seller shall not be responsible for the correct description, authenticity, genuineness, or defects herein, and makes no warranty in connection therewith. No allowance or set aside will be made on account for any incorrectness, imperfection, defect or damage. Any descriptions or representations are for identification purposes only and are not to be construed as a warranty of any type. It is the responsibility of the buyer to have thoroughly inspected the vehicle and to have satisfied himself or herself as to the condition and value and to bid based upon that judgment solely. The seller shall and will make every reasonable effort to disclose any known defects associated with this vehicle at the buyer's request prior to the close of sale. Seller assumes no responsibility for any repairs regardless of any oral statements about the vehicle.
