# THE 1040 ADVANTAGE

INTRODUCING THE 1040 THREE-HOPPER TRAILER

**POLAR**  
TANK TRAILER

Every day in the transport industry, from dawn until dusk and beyond, demands dedication and precision. This steadfast commitment is why generations of loyal customers choose nothing but Polar Tank Trailers. Drawing on nearly a century of expertise in regional and commodity-specific engineering and durability, Polar Tank Trailer set the standard long before air-ride suspensions became the norm. The distinction between a Polar Tank Trailer and ordinary trailers is profound. These trailers boast exceptional versatility, capable of transporting a wide array of materials, from cement and sand to food-grade products, making them the ultimate solution for diverse transport needs.
