Part Description	I Number	Qty	Sale	Ext	Labor Description	Hours	Ext
electric fuel pump 15436		1.00			inspection 2 cars		
gas		1.00			got car in checked all fluids oil and antifreeze good		
gas					-checked wiring some wiring under car not so great fixed what is seen		
ign coil 3432		1.00			-got starter working		
Shop Supplies					-car cranks		
					-hooked up gas can to carbs was able to get running		
					-drained fuel tanks and cleaned out		
					-changed some fuel lines and put in new fuel		
					-fuel pump ,not working		
					-also replaced ign coil to get spark		
					-installed new inline fuel pump now fuel to front		
					-got running again with own fuel pump and fuel		
					-car wont move no clutch needs master and slave for clutch other then that would work		
					-This is a restoration project will need alot of work to get back onto shape		
					-but is in pretty good condition under car rust is ok and restorable would just need to find right buyer		
					Enviromental
