-Export Compliance: This invoice is processed under the condition that neither by execution, nor by delivery, will the Export Laws of the United States Government be violated.

-All returns must have an approved RMA number issued by Planestocks.

-Buyer is responsible for ensuring timely receiving inspection and Planestocks must be notified of any discrepancies within 2 business days of delivery.

-All shipments shall be incoterms FOB ORIGIN; Buyer takes ownership as soon as carrier takes possession.

-Planestocks is not responsible or liable for any damages or loss to shipments caused by parcel & freight carriers, including but not limited to UPS, FedEx, DHL, etc.

**CANCELLATION/ RETURN FEES:** Any company that places an order and cancels after the order has been processed will be charged a 25% restocking fee (\$100.00 minimum for orders under \$400.00). Parts coming from a consignment will incur a 50% restocking fee as the part(s) are ordered on your behalf and cannot be returned back to the consignment. This includes parts that are stored in our facility for the consignment. We have a right to refuse cancellations. All returns must be received by Planestocks within 10 days of the issued RMA. It will be Planestocks decision to issue either a refund to original method of payment or a credit to the purchasers account to use towards future orders. Account credits do not expire.

**RETURNING OUTSIDE THE RETURN PERIOD:** RMAs must be returned to our facility within 10 days from the issued RMA. All RMAs are considered void after the 10th day. If the purchaser returns the part(s) after the 10-day window, Planestocks reserves the right to refuse the return and will return the order back to the purchaser. In the event that damage has been caused to the part(s), paperwork is missing, or part(s) are not packaged properly we reserve the right to refuse a refund or credit.

**REFUSED SHIPMENT FEES:** Any company that refuses delivery for orders shipped to them will be charged a 50% restock/handling fee (\$100.00 minimum for orders under \$200.00). If a delivery is refused and Planestocks needs to resend the order the carriers rejection fees will be added to the buyers invoice.

Restocking Fees must be paid in full by the date provided by Planestocks.

**PAST DUE BALANCES:** Any company with a past due balance or balance exceeding their terms will be placed on hold until payment is received.

## USER/INSTALLER RESPONSIBILITY

RESPONSABILITÉS DE L'UTILISATEUR/INSTALLATEUR

This certificate does not automatically constitute authority to install the item(s).

Ce certificat ne vaut pas automatiquement autorisation d'installer le ou les éléments.

Where the user/installer performs work in accordance with regulations of an airworthiness authority different than the airworthiness authority specified in block 1, it is essential that the user/installer ensures that his/her airworthiness authority accepts items from the airworthiness authority specified in block 1.

Lorsque l'utilisateur/installateur effectue des travaux conformément à la réglementation d'une autorité responsable de la navigabilité, autre que l'autorité responsable de la navigabilité indiquée dans la case 1, il est essentiel que l'utilisateur/installateur s'assure que l'autorité responsable de la navigabilité dont il relève accepte les éléments approuvés par l'autorité responsable de la navigabilité inscrite à la case 1.

Statements in blocks 13a and 14a do not constitute installation certification. In all cases aircraft maintenance records must contain an installation certification issued in accordance with the national regulations by the user/installer before the aircraft may be flown.

Les mentions figurant dans les cases 13a et 14a ne constituent pas une certification d'installation. Dans tous les cas, le dossier d'entretien de l'aéronef doit contenir une certification d'installation délivrée conformément aux réglementations nationales par l'utilisateur/installateur avant que l'aéronef ne puisse décoller.
