

# State of Iowa - Safety Protocol

(For Bidders Inspecting or Retrieving Auctioned Property via GovDeals)

- **Be Aware of Surroundings:** Auction lots can be busy places with people moving around vehicles. Be cautious and aware of your surroundings at all times. Pay attention to potential tripping hazards, uneven surfaces, or overhead obstacles.
- **Exercise caution around the trailer:** Avoid climbing on unstable surfaces or placing excessive weight on unsupported areas.
- **Wear Appropriate Attire:** Consider wearing sturdy shoes and gloves for protection when inspecting the trailer's exterior and undercarriage.
- **Use Caution when Entering and Exiting:** Travel trailers can have steps and ladders. Be sure to check that these are secure before use.
- Roof inspections will not be allowed.
- Report any safety issues or concerns you identify to staff.
