*Note for installation:

1. Minimum charge: 8 hours per day
2. If our workers must interrupt their work (wait, weekend, holiday, etc.), we will retain the most advantageous solution between the wait (8 hours a day) and the round trip.
3. Preparation and closing time for installation shall be charged up to 4 hours per project or project phases.
4. Travel time is entirely billable from Quebec City, Qc, Canada following charter above.

Accommodation fees and expenses

The cost of accommodation (hotel), travel, and meals **are extras**; and calculated **from Quebec City, Qc, Canada** (unless otherwise expressly described in the quote or mutually agreed upon in writing). These fees are billable as follows:

Fees type	Applicable charges
Hotel, plane ticket and other travelling fees	Cost + 15%
Car	100 \$ / day
Per diem during travel	Up to 89\$ /day + 15%
Any other expenses required during the installation	Cost + 15%

Production/Manufacturing Out-of-scope Item

Any addition of an out-of-scope item that would require manufacturing, modification, etc. of Mecart components may be subject to additional charges. These charges would be submitted in the form of an addendum.

Storage fees

Storage fees may apply if Mecart needs to store the material after the initial delivery date:

Fees type	Applicable charges
Transportation (Applicable for transport of material to the warehouse)	610 \$/per lot of 8 skids
Standard skid storage (4' wide, up to 11' long)	100 \$/month
Non-standard skid storage (4' wide, above 11' and up to 14' long)	125 \$/month
Non-standard material storage (Structural, mechanical, etc.)	TBD, case-by-case

*Minimum 1 month fee.

These storage fees may be charged if the delivery is delayed for reasons that are out of Mecart's control or if requested by the client. **Important:** These fees may apply if Mecart must hold the material until all pre-delivery payments are settled (as per payment schedule defined in the quote). The client will be notified in writing, at least 2 weeks in advance, when storage charges are applied.

Shipping fees

Unless expressly stated in the quote or mutually agreed upon in writing, transportation fees are billable: Shipping (Cost + 20 %) + 250 \$ handling fee
