On Sunday, February 13, 2022, at approximately 5 a.m., a Concord police officer was involved in an incident culminating in the shooting of a criminal suspect.

While on routine patrol, a Concord police officer discovered a burglary in progress at the Modern Nissan dealership at 967 Concord Parkway S. The officer located an adult Caucasian male suspect attempting to steal a vehicle. The officer provided the suspect with multiple verbal commands to stop what he was doing. The suspect refused. A physical confrontation ensued. Soon thereafter, the officer discharged their department-issued handgun, striking the suspect.

Responding officers immediately provided aid to the suspect. Cabarrus County EMS responded and transported the suspect to Atrium Health Cabarrus where he was treated and later pronounced deceased from his injuries. The identity of the suspect is being temporarily withheld pending appropriate notification to next of kin.

The officer involved in this incident has been with the Concord Police Department since January 2020. The officer was not injured. The department will not be releasing the identity of the officer at this time.

The North Carolina State Bureau of Investigation (SBI) is investigating this incident, at the department's request. Consistent with department policy on officer-involved shootings, the officer has been temporarily placed on administrative duty. The department will not be commenting any further on this matter until the SBI completes their investigation and the Cabarrus County District Attorney's office completes their review.
